

Omaha Recreational Trails

The Omaha area has an extensive network of recreational trails designed for bicycling, jogging, walking, skating, and cross-country skiing. The trail system connects many parks and recreation areas that offer various activities as well as water stops and restrooms. Many of the trails are still in the planning and construction stage, and each year several large sections of the trails are completed.

On the following pages, this map has been divided into three sections to show more detailed information.

-  Parks Along the Trails
-  Airports
-  Trails Planned or Under Construction
-  Completed Trails
-  Streets
-  Interstates
-  Rivers
-  Lakes
