

Location of Gas Stations in Omaha for the Five Top Chains

This map represents the locations of the five largest gas station chains in the Omaha metropolitan area. There are a few notable patterns within this distribution. Few stations appear to have locations north of Fort Street, indicating the possible occurrence of more independent gas stations in this area. Amoco stations are primarily located west of 72nd Street while Kum & Go and Phillips 66 tend to be east of this boundary. Convenient has 8 out of its 11 locations south of Dodge Street, 7 of which lie in the south-east portion of Omaha. Kwik Shop, with 28 locations, has the most even distribution in the city.
